

Amit Kumar Chaurasiya

PhD Scholar

Profile

Ph.D. Research Scholar in the Department of Mathematics with research interests in Face Recognition, Pattern Recognition, Machine Learning, Computer Vision, Incremental Learning, and Dimensionality Reduction. Skilled in MATLAB implementation, scientific writing, and academic research.

Research Experience

Research Scholar, Department of Mathematics

September 2022 – PRESENT

- Research on Face Recognition.
- MATLAB implementation and optimization of high-dimensional algorithms.
- Two research manuscripts under review in the field of Face Recognition and Pattern Recognition..

Teaching Assistant

September 2022 – May 2026

- Guided students in MATLAB and Machine Learning laboratories.
- Assisted in the evaluation of assignments and projects.
- Supported third-year undergraduate students in machine learning programming as a Teaching Assistant for MA 3219: Mathematical Foundations for Machine Learning.

Education

Ph.D. in Mathematics

Mahindra University

2022 – Present

M.Sc in Mathematics and Scientific Computing

National Institute of Technology, Hamirpur (NITH)

2019 – 2021

AWARDS AND ACHIEVEMENTS

- GATE-2022 (Mathematics) Qualified.
- IIT-JAM-2019 (Mathematics) Qualified .

Publications

A. Kumar presented the paper ”**Exponential Discriminant analysis via Weeks method**” at **LACAM 2024** (Latest Advances in Computational and Applied Mathematics), **IISER Thiruvananthapuram**, February 21–24, 2024.
